PAG will try its best to ship a replacement out as soon as possible with a turnaround time of 7 days from receiving your product. We normally ship out all packages via USPS priority mail. During our high peak seasons return can take up to 14 days.

If you have any questions regarding a warranty inquiry or a product you have sent in please do not call our toll free #, but instead email the warranty department at:

warranty@premierxsre.com and a customer service representative will get back to you within 24-48 hours.

Please Note: Due to another manufacture manufacturing the same design headset as the Motor Trend BT09 / MT-4000, see the below image to identify if your product is a Genuine Motor Trend product and not an off branded product. If a Non Motor Trend product is sent in to Premier Accessory Group for warranty repair, it will not be replaced but instead be sent back at owner's expense.

See below Motor Trend markings on headset to identify if your product is a genuine MT product.
